CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Robertson County Emergency Services District
Franklin, Texas

We have audited the accompanying financial statements of the governmental activities and the General Fund of the Robertson County Emergency Services District (the "District") as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the General Fund of the Robertson County Emergency Services District as of September 30, 2020, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3-7 and 26 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT
Management's Discussion and Analysis
September 30, 2020

Five persons are appointed by the County Judge and Commissioner's Court as Emergency Services Commissioners for two-year terms with a three and two-person rotation. They function as a board with regularly scheduled meetings every second Tuesday of the month as stated by an agenda posted at the county courthouse.

The District provides funding to Robertson County volunteer fire departments (VFDs) Blackjack, Bremond, Calvert, Easterly, Franklin, Hearne, Seale-Round Prairie, Wheelock, and also to Robertson County Emergency Medical Services (EMS), each of which provide fire, rescue, and emergency medical services to designated response areas within 866 square miles of Robertson County. The VFDs combined have an all-volunteer staff of approximately 137 firefighters with an average of 800 incidents per year out of the eight fire stations located in their respective areas. The EMS has paid paramedics and emergency medical technicians providing emergency medical care, life support, and transportation to citizens of Robertson County with stations in Hearne, Franklin, Calvert and Bremond, responding to approximately 3,500 calls per year.

Overview of the Financial Statements

Government-Wide Statements

The government wide financial statements and the fund financial statements are the basic financial statements under the reporting standards of GASB. Financial information reported in the government-wide financial statements uses the full-accrual basis of accounting. Revenues are recognized when they are earned, and expenditures are recognized when they are incurred.

The financial statements of Robertson County Emergency Services District consist of:

- A government-wide Statement of Net Position and Statement of Activities;
- The governmental fund, a Balance Sheet, a Statement of Revenues, Expenditures and Changes in Fund Balance, a reconciliation of the fund Balance Sheet to the government-wide Statement of Net Position, and a reconciliation of the fund Statement of Revenues, Expenditures and Changes in Fund Balance to the government-wide Statement of Activities.

Operating Fund Statements

Financial data presented in the Governmental Funds Balance Sheet and the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balances use the modified-accrual basis of accounting. As it relates to Robertson County Emergency Services District, this basis does not differ materially from full-accrual accounting. Revenues are recognized when they are susceptible to accrual, and expenses are recognized when the related liability is incurred. However, capital assets of land, buildings, property and equipment are not presented in the Balance Sheet, and depreciation is not presented in the Statement of Revenues, Expenditures and Changes in Fund Balances.

Financial Highlights

As of Oct 1, 2013, in lieu of disbursing tax dollars collected by the Robertson County Tax Assessor-Collector to each Volunteer Fire Department, the District now pays the expense on behalf of the Volunteer Fire Departments. The District continues to disburse the tax dollars collected by the Robertson County Tax Assessor-Collector to the EMS.

The District does not own any real property, but the District does own and operate a 500-foot radio communications tower.

The District operates five bank accounts and has three sources of income, namely property taxes, tower lease rentals, and interest earned on their deposits in a money market account. User fees from the radio tower are deposited into the tower operating and maintenance account.

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT
Management's Discussion and Analysis-Continued
September 30, 2020

Robertson County Tax Assessor Office computes the tax information and notifies RCESD on the legal requirements. RCESD is limited to a maximum rate of \$0.10 per hundred dollars of taxable value. The tax assessment as of October 1, 2019 sets the tax levy at \$0.08142 per \$100 of assessed valuation, which results in the following:

Taxable value	\$2,968,335,790
Levy	\$ 2,416,819

Financial Analysis of Governmental Fund

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 2,502,030	\$ 2,772,565
Property taxes receivable, net	170,760	141,439
Notes receivable	509,653	458,868
Prepaid expenses	<u>15,602</u>	<u>15,602</u>
Total Assets	<u>\$ 3,198,045</u>	<u>\$ 3,388,474</u>
Total Liabilities	<u>\$ 17,913</u>	<u>\$ 31,283</u>
Total Deferred Inflows of Resources	<u>162,418</u>	<u>136,157</u>
Nonspendable fund balance	525,255	474,470
Unassigned fund balance	<u>2,492,459</u>	<u>2,746,564</u>
Total Fund Balance	<u>3,017,714</u>	<u>3,221,034</u>
Total Liabilities, Deferred Inflows of Resources and Fund Balance	<u>\$ 3,198,045</u>	<u>\$ 3,388,474</u>

The General Fund pays for daily operating expenditures. When comparing actual to budget, actual expenditures were less than budgeted by approximately \$49,270 primarily due to miscellaneous expenses being less than expected. More detailed information about the District's budgetary comparison is presented in the Notes to the Financial Statements.

Capital Assets and Debt Administration

At the end of fiscal year 2020, the District had invested \$910,635 in capital assets as shown on the following page. More detailed information about the District's capital assets is presented in the Notes to the Financial Statements.

Currently Known Facts, Decisions, or Conditions

The final fiscal year 2020 budgeted expenditures for the District are \$268,323. Property tax revenues increased in fiscal year 2020 by approximately 0.3% to \$2,426,857, as compared to fiscal year 2019 property tax revenue of \$2,419,226. The property tax rate decreased to .07730% beginning October 1, 2020.

Requests for Information

This financial report is designed to provide a general overview of the District's finances and to demonstrate the District's accountability for the funds it receives. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the District at P.O. Box 658, Franklin, Texas, 77856.

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT
Notes to Financial Statements
Year Ended September 30, 2020

Note I – Significant Accounting Policies

A. Reporting Entity

Robertson County Emergency Services District (the District) was created after a public election held on November 7, 2000 under the provision of Section 48-d of Article III of the Constitution of Texas and the Texas Safety and Health Code, Chapter 775. The District provides fire protection and emergency response services to residents of the District.

B. Basis of Presentation

The District's financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for the state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989, (when applicable) that do not conflict with or contradict GASB pronouncements. The more significant accounting policies established in GAAP and used by the District are discussed below.

The financial statements of the District are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that compromise its assets, liabilities, reserves, net assets, revenues and expenditures/expenses.

The following fund types are used by the District:

General Fund – The General Fund is the general operating fund of the District. This fund includes all the available operating revenues and accumulates reserves for future operating activities.

C. Government-Wide Financial Statements

Government-wide financial statements consist of the Statement of Net Position and the Statement of Activities. These statements report information on all of the non-fiduciary activities of the primary government and its component units.

The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Under this measurement focus, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of cash flows. Property taxes are recognized as revenues in the year for which they are levied.

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT
Notes to Financial Statements-Continued
Year Ended September 30, 2020

Note I – Significant Accounting Policies-Continued

C. Government-Wide Financial Statements-Continued

The statement of activities demonstrates the degree to which the expenses of a given function are offset by program revenues. Expenses are those that are clearly identifiable with a specific function. Program revenues include 1) reimbursements from volunteer fire departments and 2) contributions. Taxes and other items properly not included among program revenues are reported instead as general revenues.

D. Fund Level Financial Statements

In the governmental funds financial statements, the governmental-type activities are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they are susceptible to accrual (i.e., when they become both measurable and available). “Measurable” means that the amount of the transaction can be determined, and “available” means that the amount of the transaction is collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. A 60-day period is used for recognition for all governmental fund revenues. Expenditures are recorded when the related fund liability is incurred.

The fund level financial statements are reported using the current financial resources measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balances (net current assets) are considered a measure of “available spendable resources.” Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of “available spendable resources” during a period.

E. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures of assets, liabilities, revenues and expenditures. Accordingly, actual results could differ from those estimates.

F. Cash and cash equivalents

Cash equivalents consist of highly liquid investments with an initial maturity of three months or less.

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT
Notes to Financial Statements-Continued
Year Ended September 30, 2020

Note I – Significant Accounting Policies-Continued

G. Capital Assets

As stated in the Texas Health and Safety Code, Title 9, Subtitle B, Chapter 775, Section 775.073 as of September 1, 2013, any property, including interest in property, purchased or leased using District funds, wholly or partly, must remain the property of the District, regardless of whether the property is used by a third party under a contract for services or otherwise, until the property is sold to a third party following the procedures under Section 263.003, 263.007, or 263.008.

Any property purchased by the fire departments prior to September 1, 2013, remains property of the individual fire departments.

Capital assets are recorded at cost if purchased and fair market value if donated. Capital assets are depreciated using the straight-line method over the estimated useful lives.

Estimated useful lives for depreciable assets are as follows:

Buildings and building improvements	15 years
Furniture and fixtures	7 years
Machinery and equipment	5 years
Vehicles and equipment	5-10 years

H. Deferred Outflows/Inflows of Resources

In addition to liabilities, the statement of net position and/or balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until then. For the year ended September 30, 2020, the District has the following item that qualifies for reporting in this category.

- Unavailable revenues – The unavailable revenues which arise only under the modified accrual basis of accounting qualify for reporting in this category in the governmental funds balance sheet. The governmental funds report unavailable revenues from property taxes of \$162,418 for the year ended September 30, 2020.

Note I – Significant Accounting Policies-Continued

I. Fund Balances

GASB Statement No.54, “Fund Balance Reporting and Governmental Fund Type Definitions,” establishes fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of resources reported in governmental funds. The implementation of GASB 54 enhances the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied. Under GASB 54, fund balances are required to be reported according to the following classifications:

Nonspendable Fund Balance - Amounts that cannot be spent because they are either not in spendable form or because they are legally or contractually required to be maintained intact.

Restricted Fund Balance - Amounts that can be spent only for specific purposes because of constraints placed on the use of these resources by creditors (such as through debt covenants), grantors, contributors or other governments; or constraints are imposed by law (through constitutional provisions or enabling legislation).

Committed Fund Balance - Amounts that can only be used for specific purposes because of a formal action (resolution or ordinance) by the government's highest level of decision-making authority.

Assigned Fund Balance - Amounts that are constrained by the government's intent to be used for specific purposes, but that do not meet the criteria to be classified as restricted or committed. Intent can be stipulated by the governing body, another body (such as a Finance Committee), or by an official to whom that authority has been given.

Unassigned Fund Balance – All amounts not included in other spendable classifications.

J. Net Position

Net position represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources. Net investment in capital assets consists of capital assets net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets, and adding back unspent proceeds. Net position is reported as restricted when there are limitations imposed on the use by either external parties or enabling legislation.

It is the District’s policy to expend restricted resources first and to use unrestricted resources when the restricted resources have been depleted.

Note I – Significant Accounting Policies-Continued

K. Recently Issues Accounting Pronouncements

In June 2017, the GASB issued GASB Statement No. 87, *Leases*, effective for fiscal years beginning after December 15, 2020. The objective of GASB Statement No. 87 is to improve accounting and financial reporting for leases by governments by requiring recognition of certain lease assets and liabilities that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. GASB Statement No. 87 establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under GASB Statement No. 87, a lessee is required to recognize a lease liability and an intangible right-to-use asset, and a lessor is required to recognize a lease receivable and deferred inflow of resources. Management is evaluating the effects that the full implementation of GASB Statement No. 87 will have on its financial statements for the year ended September 30, 2022.

Note II – Receivables

The reported property tax receivable is the amount of taxes anticipated to be collected after September 30, 2020. The difference between the receivable and the associated allowance is reported as unavailable revenue in the governmental funds balance sheet.

The reported note receivable is due from Robertson County Emergency Medical Services, Inc., Calvert Volunteer Fire Department, and Franklin Volunteer Fire Department and is reported as nonspendable fund balance in the governmental funds balance sheet.

Note III – Capital Assets

Depreciation expense for the year ended September 30, 2020 totaled \$204,590 and was charged to functions as follows:

Governmental Activities:	
General Government	\$ 15,808
Public Safety	188,782
	<u>\$ 204,590</u>

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT

Year Ended September 30, 2020

Note IV – Noncurrent Liabilities

The following is a summary of note payable transactions during the year ended September 30, 2020:

<u>Balance</u> 10/1/19	<u>Additions</u>	<u>Payments</u>	<u>Balance</u> 9/30/20
\$ 435,845	\$ -	\$138,289	\$ 297,556

Notes payable at September 30, 2020 consisted of the following:

Robertson County Bank, dated July 12, 2016, payable in annual installments of \$121,587, including interest at 2.74%, matures July 2023	<u>\$ 297,556</u>
Total notes payable	297,556
Less current maturities	<u>(103,523)</u>
Total long-term debt	<u>\$ 194,033</u>

Annual payments required to amortize all long term notes payable outstanding as of September 30, 2020 including interest payments are as follows:

<u>Year Ended Sept. 30</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2021	\$103,523	\$ 8,153	\$111,676
2022	106,360	5,316	111,676
2023	<u>87,673</u>	<u>2,401</u>	<u>90,074</u>
	<u>\$297,556</u>	<u>\$15,870</u>	<u>\$313,426</u>

Note V – Net Investment in Capital Assets

For September 30, 2020, net investment in capital assets showed a balance of \$910,635. This amount is derived from total capital assets net of accumulated depreciation.

Note VI– Fire Department Expenses

As of October 1, 2013, in lieu of disbursing funds directly to the individual volunteer fire departments, Robertson County Emergency District enforced the policy of directly paying the operating expenses of the individual volunteer fire departments. These expenses are reflected as fire department operating expenses on the Statement of Revenues, Expenditures, and Changes in Fund Balances-Governmental Funds.

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT
Notes to Financial Statements-Continued
Year Ended September 30, 2020

Note VII – Property Taxes

Property taxes are collected and remitted to the District by the Robertson County Tax Assessor Collector. Property taxes attach as an enforceable lien on property as of January 1 of a given year. Property taxes are levied each October 1 on the assessed value as of the previous January 1 for all real property located in the District and are payable by January 31 of the following year. Property taxes become delinquent on February 1 at which time they begin accruing penalty and interest. Delinquent payments throughout the year are recognized in the year received.

The tax assessment of October 1, 2019 sets the tax levy at \$0.08142 per \$100 of assessed valuation, which results in the following:

	<u>October 1, 2019</u>
Taxable value	\$2,968,335,790
Levy	\$ 2,416,819

Note VIII – Capital Leases

During fiscal year 2019, the District signed a capital lease agreement with Texas Imaging Systems for a term of five years. The following is an analysis of the District's assets under this capital lease:

Furniture and equipment	\$ 10,080
Less: accumulated amortization	<u>(7,896)</u>
	<u>\$ 2,184</u>

The following is a summary of capital lease activity and outstanding balances at September 30, 2020:

	<u>Balance</u>	<u>Additions</u>	<u>Reductions</u>	<u>Balance</u>
Governmental Activities:	10/1/19			9/30/20
Capital Leases	\$ 5,158	\$ -	\$ 2,269	\$ 2,889

Future minimum lease payments for the asset under capital lease at September 30, 2020 are as follows:

Fiscal year 2021	\$ 2,916
Fiscal year 2022	<u>243</u>
Net minimum obligations	3,159
Less interest	<u>(270)</u>
Present value of net minimum obligations	2,889
Less current portion	<u>(2,650)</u>
Long-term obligations at September 30, 2020	<u>\$ 239</u>

ROBERTSON COUNTY EMERGENCY SERVICES DISTRICT
Notes to Financial Statements-Continued
Year Ended September 30, 2020

Note IX – Operating Leases

The District has entered into operating leases as both lessee and lessor.

During 2009, the District completed construction of a 500 foot radio communications tower for the use of the District’s emergency services departments. At September 30, 2020 the tower had a cost of \$293,405 with accumulated depreciation of \$215,162. The District offers tower space under operating leases to outside parties. The future minimum lease payments to be received are as follows:

2021	\$ 5,859
Total	<u>\$ 5,859</u>

During 2007, the District entered into an operating lease for land to use for the District’s tower. The lease expires in 2037. Rent expense included in the financial statements for the year ended September 30, 2020 is \$8,640. The remaining minimum lease payments are as follows:

Fiscal Year(s)	Amount
2021	\$ 8,640
2022	9,504
2023	9,504
2024	9,504
2025	9,504
2026-2030	51,321
2031-2035	56,454
2036	11,500
Total	<u>\$ 165,931</u>

During 2019, the District entered into an operating lease for tower space on the Blackjack Tower Site located in Hearne, TX. The lease expires in 2023. Rent expense included in the financial statements for the year ended September 30, 2020 is \$1,221. The remaining minimum lease payments are as follows:

Fiscal Year(s)	Amount
2021	\$ 1,273
2022	1,311
2023	1,351
Total	<u>\$ 3,935</u>

Note X – Budgetary Comparison Schedule

During the fiscal year, the District approved a budget for administrative expenses. The budgetary comparison schedule is presented on page 26.

Notes XI – Deposits

The District’s bank balances were covered by federal depository insurance or by collateral held by the District’s agent in the District’s name. At September 30, 2020, the amount of the District’s bank deposits was \$2,529,191. Deposits are categorized to give an indication of the level of risk assumed at year end. Categories are as follows:

Category 1 – Insured or collateralized with securities by the District or its agency in the District name.

Category 2 – Collateralized with securities and/or letter of credit held by the pledging financial institution’s trust department or agency in the District’s name.

Category 3 – Uncollateralized.

At year end, the District’s deposits are categorized as follows:

	<u>Category 1</u>	<u>Category 2</u>	<u>Category 3</u>
2020	\$500,000	\$2,029,191	\$ -

Note XII – Commitments

During fiscal year 2020, the District renewed its agreements with the following volunteer fire departments: Franklin, Easterly, Wheelock, Bremond, Seale-Round Prairie, Blackjack, Hearne, and Calvert. These agreements are effective October 1, 2020 and under the agreements the fire departments agreed to provide emergency services to all persons and property within the emergency services district.

During fiscal year 2020, the District renewed its agreement with the Robertson County Emergency Medical Services. This agreement is effective October 1, 2020 and under the agreement Robertson County Emergency Medical Services agreed to provide emergency medical services to all persons and property within the emergency services district.

Amounts to be paid to the volunteer fire departments and Robertson County Emergency Medical Services shall be disbursed at the discretion of the Board and may include expenses for operations and other expenditures approved by the District for maintaining emergency services within the District.
